

NEW YEAR COUNTDOWN – DAY 3: Life Changing Experiences in Kandersteg Switzerland

Winter in the mountains does not just have to be about skiing! We discovered the magic of the Belle Epoque Week held annually in Kandersteg – what is there not to like? And, if you want to release your inner self then dress up and have fun!!! An amazing life-changing Winter Holiday! So many amazing experiences that will bring renewed strength through fun, laughter, snow, new friendships, fresh air, walking, tobogganing and enough to make anyone smile – let those endorphins rock! Now one can see why people came to the Swiss Alps over a 100 years ago for their health and well-being! Life the dream!
