

ENABLE Magazine May/June 2013

Summer in the mountains !
Walking, wheelchair
accessible cable cars,
swimming, mountain
bike rides, cheese
making, wild flowers,
local culinary delights.....
even golf or summer skiing!

Using our comprehensive Winter information resource, meeting the specific needs of anyone with a disability, special need or life-challenging condition Ski 2 Freedom now brings the mountains alive from June until the first snow-flakes fall making the mountains easily accessible for all!

Swim in the mountain lakes of Les Gets; explore the wild and stunning Haute Pyrenees; stay in a fully accessible "tree house"; fish from a specially adapted pontoon; join the family on their bikes...
